Programming and package contents are subject to change at any time without notice. Please see a Boone Electric Satellite Systems, Inc. (BESSI) representative for current equipment prices. All receivers will remain the property of DIRECTV. Movies and special events can be ordered through your remote control, which requires constant telephone line hookup to your DBS receiver. This feature is called Impulse Pay-Per-View (IPPV). Prices of Pay-Per-View special events may vary, check on-screen guide for pricing. If you do not have a constant telephone line hookup, you may order Pay-Per-View movies and events by calling (573) 876-1266. Note: There is a \$5 additional charge per movie for operator-assisted (OPPV) ordering. Pay-Per-View charges are separate from package prices and will be itemized on your monthly statement. No refunds or credits are available on IPPV or OPPV purchases. Multiple receivers require constant phone hookup. BESSI periodically makes programming and equipment available at special prices. These are limited-time offers and are subject to change without prior notice. Please see a BESSI representative for information about any current special offers.
